

The Directors of AMH monitor the behaviour of the company so that fair payment terms are honoured with Suppliers.

Insofar as an explicit payment date is agreed, and this particularly applies to trade in grains and the consequent payment to Farmers, AMH and its subsidiary companies will pay by the due date.

Where staged or delayed payment dates are agreed, then AMH will meet the requirements agreed with the Supplier.

Other payments are made at the twice monthly payment runs signed off by the Directors.

In the event that a payment may be paid late, being a relatively compact organization, prompt payment is made on request.

If there are any issues which suppliers wish to raise they are invited to contact the Company Secretary Alan Clark on 01-328-828-313, and alan.clark@crisp malt.com
